2023-2024 School Accountability Report Card

(Published During the 2024-2025 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A hard copy of the School Accountability Report Card is available at your School Office, upon request.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Admission Requirements for the University of California (UC)	Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state’s high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at https://admission.universityofcalifornia.edu/ .
Admission Requirements for the California State University (CSU)	Eligibility for admission to the CSU is determined by three factors: (1) Specific high school courses, (2) Grades in specified courses and test scores, and (3) Graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at https://www2.calstate.edu/ .

2024-25 School Description and Mission Statement

District Vision
All Tahoe Truckee Unified School District scholars will be provided challenging and engaging learning opportunities in order to thrive and to be successful in a globally competitive age. This goal will be accomplished through collaboration with students, parents, staff, and the community, united in dedication to our children’s future. Highly skilled, motivated and caring principals and teachers will engage scholars in effective and innovative instruction through a rigorous and relevant curriculum that promotes mastery of meaningful content, creativity, critical thinking, teamwork, problem solving, respect for diversity, the ability to communicate in multiple languages, and the effective use of technology. A culture of quality, accountability, responsibility,

2024-25 School Description and Mission Statement

and respect shall characterize the school district.

Community

Encompassing more than 720 square miles, Tahoe Truckee Unified School District is located in the Sierra Nevada Mountains, 100 miles northeast of Sacramento, and 35 miles west of Reno, Nevada. The District serves more than 3800 students in California's Nevada, Placer, and El Dorado Counties. District boundaries stretch from Hobart Mills, eight miles north of Truckee, to Emerald Bay, near South Lake Tahoe; and from Cisco Grove, twenty miles to the west, to Floriston, fifteen miles to the east.

School Description

Donner Trail is located near the top of the Donner Summit nestled next to the Yuba River. The area provides a rich natural environment for students to explore and learn. Donner Trail serves as both a community school to the local community as well as a multi-age magnet school for the Tahoe Truckee School Unified District. As best described by Donner Trail parents, the loving support staff and supportive teachers create a community where students are treated with respect and are taught how to be responsible, respectful to others, and how to be leaders. The Donner Trail way is to learn and assist others. It breaks down the walls of age, bullying, and separation. Students learn who they are and who they want to become. Donner Trail is a three-room school house that 62-75 students occupy for 180 days of the year. The "Bear Lair" houses grades K-1, "The Hive" houses grades 2-3 students, and the "Yuba Colony" houses grades 4-5. Along with an intensive focus on core subject areas, students also participate in many activities such as PE, music, and art. Because of the multi-age classrooms, students learning goals and expectations are differentiated to accommodate their learning styles and developmental levels so that all students are successful learners.

School Mission and Vision Statement

All Donner Trail students will be provided with an environment in which there are high expectations for academic, civic, environmental, and social responsibilities. Students will grow in a safe, caring, risk-taking environment that nurtures our students to become independent lifelong learners. This goal will be accomplished through reflection, collaboration, innovation, and communication among a small community of students, staff, and families that come together in a shared culture. Our guiding value is that every child can and will learn through hard work, rigor, and perseverance.

Our Core Beliefs and Practices:

Addressing the needs of the "whole child" is the focus of all decisions.

Students feel confident, appreciated, valued, and connected.

Foster character development through accountability, tolerance, acceptance, inclusivity, leadership, and perseverance.

A multi-age model maximizes collaboration, flexible grouping, leadership, learning from each other, and community.

Strategic instruction addresses diverse learning styles and a broad range of abilities to ensure multiple opportunities for accessibility and mastery.

Project-based learning embraces real-world application through our local environment, stewardship, cross-curricular connections, and scientific inquiry.

Literacy is a powerful path to developing 21st-century critical thinkers. Donner Trail is committed to balanced literacy that includes embedded technology, speaking and listening opportunities, and research across content areas.

We reinvent ourselves and our practices by learning from mistakes. We are an innovative, ever-changing community of explorers constantly seeking new habits of mind.

Schools, families, and the community are partners in helping students develop a sense of ownership for their learning.

All teachers and staff members at Donner Trail believe that each student is "our" student.

School Leadership

School Leadership at Donner Trail is a responsibility shared among District administration, the principal, instructional staff, students, and parents. Staff members are encouraged to participate on various committees that make decisions regarding the priorities and direction of the educational plan. These committees ensure that instructional programs are consistent with students' needs and comply with district goals. Avenues of opportunity include: Student Study Team, Tech LITE, Leadership Team, Safety Committee, and School Site Council.

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

2023-24 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2024-25 Opportunities for Parental Involvement

Parent and community involvement helps our school thrive. The Parent Teacher Organization (PTO) provides many opportunities for parent participation. The PTO facilitates a number of fundraising events to provide additional resources for our students, including enrichment, and fun activities. Another opportunity for parent involvement is the School Site Council.

There also are opportunities for parents to volunteer at the school and be involved in their child's education. For example, they are participating as a volunteer for Yuba River Day or The Nelson Nordic Challenge, helping with the STEAM assembly, chaperoning a field trip, or working in the classroom.

TTUSD greatly values our numerous parent volunteers. We remind parents that parent involvement doesn't have to be at the school—talking with your children about what they are learning and any challenges they face, providing encouragement and affirmation is equally important.

Donner Trail Elementary, along with its School Site Council and PTO, will provide a flexible number of meetings throughout the year to encourage parent involvement and conduct activities that encourage and support parents more fully in participating in their child's education.

2024-25 School Safety Plan

The safety of students and staff is a primary concern of Donner Trail Elementary. All visitors to the campus must use the Raptor screening system to sign in at the office and wear a visitor's pass at all times. Supervision is provided to ensure the safety of each student before school, during breaks, at lunch, and after school. Supervision of our students is shared among

2024-25 School Safety Plan

support staff, teachers, and the administration.

The School Site Safety Plan was most recently revised in the spring of 2022 by school staff and the school site council. The Safety Plan is reviewed with all staff members at the beginning of each school year. Key elements of the Safety Plan focus on the following:

- School rules & procedures
- Sexual harassment policy
- Current status of school crime
- Notification to teachers
- Child abuse reporting procedures
- School-wide dress code
- Policies related to suspension/expulsion
- Disaster procedures/routine & emergency drills
- Safe ingress & egress of pupils, parents, & school employees
- Healthy Kids Survey Results
- ALICE training safety protocol

The school is in compliance with the laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. The school's disaster preparedness plan includes ensuring student and staff safety during an emergency. Fire, disaster, and intruder drills are conducted on a regular basis throughout the school year.

Professional Development

Educational research supports that the most critical factor contributing to a student's success in school is the quality of the teaching. Tahoe Truckee Unified School District better ensures high level teaching and learning via research-based professional development (PD.) A variety of options are available and range from formal-type workshops/seminars and informal types such as collaboration among colleagues, independent reading, observing a colleague's lesson. The frequency of PD varies with the structure and purpose.

This table displays the number of school days dedicated to staff development and continuous improvement.
