**FROM:** Mrs. Carmen Ghysels, Superintendent Chief Learning Officer

**SUBJECT:** Accept Grant from Tahoe Truckee Excellence in Education Foundation for Career and College Fair Supplies and Materials

**PRESENTED BY:** Valerie Simpson, Executive Director of Educational Services

---

**ACTION REQUESTED**

Accept Grant from Tahoe Truckee Excellence in Education Foundation for Career and College Fair Supplies and Materials

**BACKGROUND INFORMATION**

Tahoe Truckee Excellence in Education Foundation has provided a generation grant in the amount of \$2,000.00.

The grant from Tahoe Truckee Excellence in Education Foundation has traditionally been used for career exploration events. Career exploration allows students to learn more intimate details about various industries and how to prepare for specific jobs within these industries.

However, these career events are becoming more site-specific versus grade specific at the district school sites. For example, College and Career has recently hosted Career Lunches at Sierra High School. At this luncheon, we invited career experts from a few industries to offer insight and first-hand knowledge of specific jobs within these industries.

The grant will allow us to continue to host these types of events allowing us to provide food, printed materials and any other set-up costs.

**RESOURCES REQUIRED:** \$2,000.00 – Tahoe Truckee Excellence in Education Foundation

**PREPARED BY:** Mindi Brenner for Valerie Simpson, Executive Director of Educational Services.
