ACTION REQUESTED

Approve the proposed Truckee High School Overnight UCLA Model United Nations from November 11-14, 2022

BACKGROUND INFORMATION

The UCLA Model United Nations is perhaps one of the most enriching educational opportunities for our students throughout the entire school year because it demands the following:

- Research on international policy
- Public Speaking skills
- Collaboration with a diverse student group from across the state

Truckee High School has had over 50 students interested in participating in this field trip. After a comprehensive and clearly defined process, 24 students were selected. Out of these 24 students, seven are self-identified as First Generation, making Truckee High School one of the largest Latinx delegations in the state.
