

Transportation Surplus Vehicle Estimated Value

July 2021

Revised: July 16, 2021

Vehicles

Vehicle	Year	Manufacturer	Model	Type	Value	Justification
M153	2006	Ford	F550	Flat Bed	\$15,000.	This vehicle no longer meets CARB emissions standards

Unit Number: M153
Vehicle Type: Flat Bed
Manufacture: Ford
Model: F550
Year: 2006
VIN: 1FDAF57P86EA54043
Estimated Value: \$15,000.00

Reason for Surplus: This vehicle no longer meets CARB emissions standards¹ and is subject to mileage restrictions². This cost to retrofit this vehicle is almost double the estimated value of this vehicle. The estimated value of this vehicle is calculated using comparable sales and auction history.
