First Read of Proposed Revision to Administrative Regulation 5141.3 Health Examinations

BACKGROUND INFORMATION

Regulation updated to reflect **NEW LAW (AB 2329)** which authorizes districts to enter into a memorandum of understanding with a nonprofit eye examination provider to provide eye examinations and eyeglasses to students at a school site. Regulation also updated to reflect **NEW LAW (SB 97)** which requires that beginning on or after January 1, 2023, districts make Type 1 diabetes materials developed by CDE available to parents/guardians when student is first enrolled in elementary school or as part of certain notifications. The first note was changed to a Cautionary Note and updated to clarify that the obligation to perform specified mandated activities is relieved any year that the Budget Act does not provide reimbursement.
