ACTION REQUESTED:

Approve General Child Care and Development Contract CCTR-2333-00

BACKGROUND INFORMATION:

TTUSD applied for and received funding to expand General Child Care and Development for full-day, full-year funds for services. These funds are intended to provide direct services for eligible children as defined in California Welfare and Institutions Code (W&IC) Section 10213.5(i). Priority is given to infants and toddlers in underserved areas. TTUSD was granted the award for the STEPP program as we serve infants and toddlers and they have the greatest need for quality care. TTUSD is currently funded through a partnership with Early Head Start; this contract will help offset the full cost of the STEPP program.

RESOURCES REQUIRED:

CDE - State of California \$496,743
