**ACTION REQUESTED**

Approve Resolution No. 17-2024-2025 - Authorize Superintendent to sign application for continued funding for the General Child Care and Development Program Contract

**BACKGROUND INFORMATION**

In 2023-24 TTUSD received initial funds to expand the General Child Care and Development Program to full-day, full-year services in the STEPP program. The funds provide direct services for eligible children as defined in California Welfare and Institutions Code (W&IC) Section 10213.5(i). Priority is given to infants and toddlers in underserved areas. The STEPP program serves infants and toddlers, and they have the greatest need for quality care. This application is for the 2025-2026 school year to help offset the full cost of the STEPP program funded through a partnership with Early Head Start.

**RESOURCES REQUIRED:** None at this time
