**Course Description:**

Course Outline:

Design, Visual, and Media Arts Pathway

The Design, Visual, and Media Arts pathway includes those occupations that use visual art, digitalmedia, and Web-based tools and materials as the primary means of communication and expression.

In addition to an understanding of current workplace practice, this career pathway requires the development of knowledge and skills in both visual art concepts as well as new and emerging digitalprocesses by which individuals are able to create and communicate complex concepts in a broad range of occupations and professions.

# TTUSD COURSE DESCRIPTION FORM
