**ACTION REQUESTED**

Review the proposed new North Tahoe High School Course CTE Video Editing for the school year 2025-2026.

**BACKGROUND INFORMATION**

This introductory, year-long course for students in Grades 9 through 12 is designed to teach the foundational aspects of careers in the Design, Visual, and Media Arts Pathway. This pathway includes occupations that primarily utilize visual art, digital media, and web-based tools and materials for communication and expression.

Furthermore, this career path necessitates the development of knowledge and skills in both visual art concepts and emerging digital processes, alongside an understanding of contemporary workplace practices. These competencies empower individuals to create and convey complex concepts in diverse occupations and professions.

This course is for Grades 9 - 12 and is a one-year course.
