ACTION REQUESTED

Review the proposed revisions to Administrative Regulations and provide direction to bring back to the next regular Board Meeting for approval.

BACKGROUND INFORMATION

Regulation updated to add that the Department of Industrial Relations Division of Occupational Safety and Health may prohibit entry into a place of employment when, in its opinion, the place of employment exposes employees to an imminent hazard. Additionally, regulation updated to reflect NEW LAW (SB 553, 2023) which requires, starting July 1, 2024, districts to (1) establish, implement, and maintain at all times and in all work areas a violence prevention plan with specified components, and (2) provide all employees with training when the plan is first established and annually thereafter. In addition, regulation updated to delete outdated information related to actions districts were required to take upon notice of potential exposure to COVID-19.
